CERTIFICATION OF VESSELS' PARTICULARS BY SHIPPING AGENTS ON DUTIABLE SEA-STORES PERMITS

All along, shipping agents are required to certify the correctness of the vessels' particulars on the reverse of the original outward sea-stores permits.

2 We are pleased to inform you that with immediate effect, this requirement will no longer be required. Shipping agents are henceforth not required to certify the vessels' particulars on the reverse side of the original dutiable sea-stores permits. With the removal of this requirement, it will certainly help the shipping agents and declaring agents to improve their productivity and reduce their operating costs.

3 If you need any further information or clarification, please call our Customs Service Centre at telephone 355 2000.
