TP, TT	Amendable	Amendable	Dutiable goods (including liquors) and Non-dutiable goods

2 In summary, the electronic amendment to the two fields are allowed for permits taken out for inward consignments. Please note that you are still required to apply for manual amendment to these two fields, if the goods involved are controlled goods, such as medicines, primary products and liquors (except as specified above).

3 I append hereunder for your information the prevailing conditions for submission of electronic amendments of permits:

- The application must be made by the same company which declared the permit;
- The application can only be made if the permit has not been used for cargo clearance.
- A permit can be amended only four times electronically.
- A maximum of 30 fields may be amended during each electronic amendment.
- No electronic amendment is allowed if the earlier amendment was made manually. If further amendments are required for this permit, the trader may apply for manual amendment
