

NEA/HS/6.7

18 May 2017

To: All Traders & Declaring Agents

Dear Sir/Madam,

SINGAPORE’S RESTRICTION OF HAZARDOUS SUBSTANCES (“RoHS”) IN ELECTRICAL AND ELECTRONIC EQUIPMENT (“EEE”) UNDER THE ENVIRONMENTAL PROTECTION AND MANAGEMENT ACT

With reference to Annex A of circular reference no NEA/HS/6.6, IDA/CMALO/LIC-005/11-00, we would like to inform you that we have updated the Product Code Description of “Air Conditioners”, to provide greater clarity:

S/No	Product Category	HS Code	Product Code	Product Code Description
21	Air conditioners	84151010	PCDACO211	Self-contained or Split system air conditioners, designed to be fixed to a window, wall, ceiling or floor of output not over 26.38KW - Declaration of RoHS Non-Compliance with valid licence
22			PCDACO311	Self-contained or Split system air conditioners, designed to be fixed to a window, wall, ceiling or floor of output not over 26.38KW - Declaration of RoHS Compliance
23			PCDMIS901	Other Self-contained or Split system air conditioners, designed to be fixed to a window, wall, ceiling or floor of output not over 26.38KW, not covered under PCDACO211 and PCDACO311
24		84151090	PCDACO212	Self-contained or Split system air conditioners, designed to be fixed to a window, wall, ceiling or floor output over 26.38KW – Declaration of RoHS Non-Compliance with valid licence
25			PCDACO312	Self-contained or Split system air conditioners, designed to be

S/No	Product Category	HS Code	Product Code	Product Code Description
				fixed to a window, wall, ceiling or floor of output over 26.38KW - Declaration of RoHS Compliance
26			PCDMIS901	Other Self-contained or Split system air conditioners, designed to be fixed to a window, wall, ceiling or floor of output over 26.38KW, not covered under PCDACO212 and PCDACO312

2 With effect from 1 June 2017, traders are required to declare the import and export TradeNet® permit applications using the appropriate HS and Product codes. All permit applications will be subject to PCD's processing and approval.

3 For more information on the control of Hazardous Substances, please visit NEA web-site at - <http://www.nea.gov.sg/anti-pollution-radiation-protection/chemical-safety/hazardous-substances>.

4 For further enquiries on these changes, you may contact the NEA TradeNet officers at Tel: 6731 9665 or e-mail your enquiries to nea_pcd_hs@nea.gov.sg.
