### **Singapore Customs detains over 1,300 suspected trademark-infringing wallets, purses and bags**

Singapore Customs has detained more than 1,300 pieces of suspected trademark-infringing goods from a shipment that was imported from China to Singapore.

During an inspection of a container at the Tanjong Pagar Distripark on 2 September 2016, Singapore Customs officers found an assortment of wallets, purses and bags suspected to be counterfeit goods of various popular brands. Singapore Customs alerted the Singapore Police Force who then seized the items for further investigations.

Singapore Customs does not condone such illegal trading activities and will take firm action against importers of counterfeit goods to ensure a robust intellectual property rights enforcement regime in Singapore.

Anyone who has specific information on any illegal trading activity can report it to Singapore Customs via the Singapore Customs hotline on 1800-2330000, email [customs\\_intelligence@customs.gov.sg](mailto:customs_intelligence@customs.gov.sg) or use the Customs@SG mobile app (which can be downloaded from the Apple Store or Google Play). All information received will be treated in strict confidence.
